KINGS AND QUEENS DAY REPORT BY CADEN SEARS

We dressed up as kings and Queens. Just kidding! we didn't exactly dress up as kings and queens but wore outfits that make us feel "10 feet tall". The reason for kings and queens' day is for us to remember that we are all special. While dressing up in outfits to help us remember this was fun, we should always know that we are all kings and queens everyday even with no special outfits on.

UPCOMING EVENTS

MOTHERS DAY POEMS

Mother Oh Mother. On this special day, I love you even more. – *Morgan Munroe*

I love you mom; you are the best mom ever and I will give you everything. – *Aaliyah Cummings.*

You are beautiful, kind, lovely and caring. I love you even when I'm mad as your love surrounds me in care. – *Evan Lewis*

ODE TO MOM

BY JAYDEN HARVEY

Roses are red,
Violets are blue.

I love you as much as you do.

Picking flowers and climbing trees. A shoulder to cry on, secrets to share.

You are a warm heart with loving hands that really care.

Shooting stars don't go down. They go up into success! – Morgan Munroe

PS 136 FOOD PANTRY BY DANIELLA GREY & ADMIYA ROBINSON

Do you know that our school now has a food pantry for families? A food pantry gives you free groceries to use at home. The bag includes canned goods and other packs of food items.

We helped with packing the food out of boxes into bags. We sorted them by color and number size and gave a free bag of food to the many families that came in one at a time to us. Everyone had a job to do, remember to tell your family and we are happy that our school supports our community through this food pantry.

UPCOMING STUDENT COUNCIL TRIP

BY TRISTAN BRITTON AND MORGAN MUNROE

We are excited to share that we will be going on a trip to the Legislative Building in Albany this May. Albany is the capital of New York and we have never been there.

We will visit the State Capital of Albany and meet with elected officials and lawmakers in session. This trip is organized by the Assemblywoman Alicia L. Hyndman and by our superintendent Dr. Bonds. We can't wait to share all that we will learn on this trip with everyone.

JOKE OF THE DAY

BY DUPREE DRUMMOND

Why can't Elsa from Frozen have a balloon?

Because she will "let it go, let it go."

ART STUDIO

BY JAMAHAL CUMMINGS

Art is so much fun! I love to draw and wish that all the kids can attend an art studio every day. Visiting an art studio is great. It will help you to relax, become more creative and even get happy.

TO THE GRADUATING CLASS OF 2023 BY SYNIA WOODS & KE'SHAWN ANDERSON

Congratulations, graduates! You have come far, worked hard, and achieved your goal. Now go onto the next grade and do even better. Best of luck as you climb higher, we wish you well and keep succeeding.
